Annual Board Nominations and Club Award Meeting

Members are invited to attend the first Open Club Meeting of 2016, to be held at Scores on **Thursday, January 6th at 7:00 PM.**

This all-important meeting will feature nominations for the 2016 Board of Directors and will include presentation of some awards to club members for achievements and service in 2015. A brief update on some ongoing projects will be offered as well.

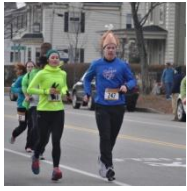

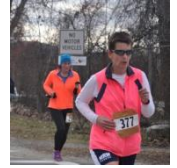

About the Election Process:

1. The Board of directors has voted (per bylaws) to expand the 2016 Board from the current seven to nine voting members. Members must be 18 years of age to serve on the board, but there are no age restrictions for voting in the election or nominating someone.
 2. The January meeting will feature open nominations, which must be seconded. There is no limit on the number of nominations and a member need not be present to be nominated. When nominations are closed, nominees will have a very brief opportunity to address the gathered membership.
- Note: Nominations are NOT for a specific office or position on the board.
3. At the February meeting (Thursday 2/4 7pm @ Scores) the annual election and presentation of the new board will take place by secret ballot. Members IN ATTENDANCE may vote for up to nine nominees, with the highest number of votes determining the nine-member board. In case of a tie involving the ninth and final seat on the Board, a run-off election between the tied nominees will take place immediately after the vote result is announced. Nominees have the opportunity to speak briefly to the membership prior to the start of the balloting.

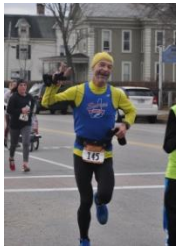

4. The new Board of Directors will meet within the week following the general election to elect new officers. The 2015 President, or designee, will preside over this meeting until the new President has been elected by the Board. The date and time for this meeting will be set by the new Board immediately following the Feb. 4 meeting.

Thanksgiving Morning Many Runners Gathered to Run the Keene Wobble Gobble

On Thanksgiving 31 Members Gathered in Keene for the Wobble Gobble - A club record, aged 10-71, ran in this year's 3.8 mile Thanksgiving Wobble Gobble. It was great to see such a sea of blue SRC shirts. It's hard to believe we've only existed a few months. Special thanks to Heather Lancey for her support and photos, (Photo Link <https://picasaweb.google.com/lh/sredir?uname=hlancey&target=ALBUM&id=6222045740217116737&authkey=Gv1sRgCKrsyuGbl6GKQCQ&invite=CIytjoIN&feat=email>), and to Michelle Gaffney, who staffed the club's table while the rest of us ran.

We were also able to assist with collecting some donations to help four young runners, including member Jake Velazquez, go to New Mexico for the National Junior Olympic Cross-Country meet. The four qualified recently at the regional meet in Rhode Island. Ugly Sweater Run - December 12th, 2015

On Saturday morning, club members & community members gathered at Score's Bar & Grille with the intention to support the Keene Community Kitchen. The theme of the 'Run' was ugly sweaters. Prizes were awarded to the 'ugliest!' All runners/walkers gathered to share hot cocoa & goodies after the 'run'! More than 100 people showed up for this fabulous event; \$158 was collected in donations & 50 bag/boxes of non-perishable food was collected & delivered to the Community Kitchen. It was an outstanding event.
